LDR-15060W	1 1/2"	Latch Duct Raceway White

P/N: LDR-7560

P/N: LDR-10060

P/N: LDR-15060

**Note: For low voltage applications only. Use in indoor locations only.**

## Installation Instructions

1. Position the raceway and cut to the desired length.
2. Peel off the adhesive tape liner from the backside of the raceway.
3. Press firmly into place in the desired layout.
4. Open the Latching Duct raceway using the flexible hinges. Insert desired wires or cables and snap closed.
